A Meaningful Weekend

Last weekend, my grandfather spent his 70th birthday with our family. As a special gift, our parents took us to the countryside.

It was really hot those days! First, we flew a kite after we finished our delicious hand-made breakfast. Then, my sister and I swam in a swimming pool. We had dinner with my grandpa's old friend, John. The next morning, my sister studied for a test because the test was difficult. We had a picnic on Sunday afternoon. My parents sang and played the guitar by the river. It was so great that we forgot the time.

What an interesting and happy weekend we had!
